## **II. PURCHASE AND SALE OF ASSETS; ASSUMPTION OF LIABILITIES**

### **2.1 Purchase and Sale of Assets.**

(a) On the terms and subject to the conditions set forth in this Agreement, at the Closing, Purchaser will, or will cause one or more of its designees to, purchase, acquire and accept from Seller or Seller’s Affiliates, and Seller will, or cause its Affiliates to, sell, transfer, convey and deliver to Purchaser, all of Seller’s or Seller’s Affiliate’s right, title and interest in, to and under the Purchased Assets, free and clear of all Liens (other than Permitted Exceptions and Transferred Exceptions) and Excluded Liabilities.

(b) The term “Purchased Assets” means all of the following properties, assets, and rights of Seller or its Affiliates existing as of the Closing, and not including any Excluded Asset:

(i) all right, title and interest in and to the Real Property, including, to the extent available and transferable to Purchaser, all architectural, mechanical, engineering, as built and other plans, specifications and drawings relating to the Real Property and the Improvements, all surveys (including any ALTA surveys) and all soil, viticultural, environmental, water, engineering, archeological, historical, production or other reports or studies in the possession or control of Seller and relating to the Real Property or the Improvements;

(ii) the Inventory;

(iii) all fixtures, furniture, furnishings, equipment, Improvements and other tangible personal property owned by Seller, that are located on or at the Real Property (“Tangible Personal Property”);

(iv) all right, title and interest of Seller now or hereafter existing, in, to and under the Contracts that (A) are set forth on Schedule 2.1(b)(iv), (B) are unexpired as of the Closing Date (including those Contracts that have been previously unrenewed), and (C) have not been rejected (or are the subject of a notice of rejection or a pending rejection motion) by Seller (the “Purchased Contracts”);

(v) all Intellectual Property related exclusively to the Business (the “Purchased Intellectual Property”);

(vi) all goodwill related to the Purchased Assets;

(vii) in each case solely to the extent such relate to other Purchased Assets, all books, records, files, invoices, inventory records, product specifications, cost and pricing information, business plans and quality control records and manuals, including all data and other information stored in any format or media, including on hard drives, hard copy or other media, in each case to the extent permitted by applicable Laws; and

(viii) all rights, claims, causes of action (including causes of action under chapter 5 of the Bankruptcy Code) and credits to the extent relating exclusively to any Purchased Asset or Assumed Liability, including any such item arising under any guarantee, warranty, indemnity, right of recovery, right of setoff or similar right in favor of Seller in respect of any Purchased Asset or Assumed Liability. Seller will, and will cause their respective Affiliates to, cooperate with Purchaser in good faith without further consideration in any arrangement reasonably acceptable to Purchaser and Seller intended to provide Purchaser with the benefit of such rights and claims.

2.2 Excluded Assets. Nothing herein contained will be deemed to constitute an agreement to sell, transfer, assign or convey the Excluded Assets to Purchaser, and Seller will retain all right, title and interest to, in and under the Excluded Assets. The term “Excluded Assets” means all properties, assets, and rights of Seller or its Affiliates existing as of the

Closing that are not a Purchased Asset, including (a) all causes of action arising under the Bankruptcy Code, (b) any refunds, overpayments, credits, or rebates of Taxes of Seller, (c) all Tax Returns of the Seller other than Tax Returns that relate solely to the Purchased Assets, and (d) all claims, rights and causes of action arising from the Transactions.

2.3 Assumption of Liabilities. On the terms and subject to the conditions set forth in this Agreement, at the Closing, Purchaser will assume, effective as of the Closing, and will timely perform and discharge in accordance with their respective terms, the following Liabilities existing as of the Closing Date and no Excluded Liabilities of Seller or any of its Affiliates from and after the Closing Date (collectively, the “Assumed Liabilities”):

(a) all Liabilities arising from the ownership or operation of the Purchased Assets by Purchaser to the extent such Liabilities arise after the Closing;

(b) any Assumed Cure Costs that Purchaser is required to pay pursuant to Section 2.5;

(c) all Liabilities of Seller or its Affiliates under the Purchased Contracts arising after the Closing; and

(d) final wages and accrued paid time off of any Business Employee who accepts an offer of employment with Purchaser payable by Seller as of the termination date of the employment of such Business Employee. For avoidance of doubt Purchaser shall not assume any other Liabilities of such Business Employee, including any severance or other termination payment by Seller or any Liability related to Seller’s employment practices or otherwise related to any such Business Employee.

2.4 Excluded Liabilities. Notwithstanding anything to the contrary set forth herein, the Parties expressly acknowledge and agree that Purchaser will not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for Liabilities or any Action of Seller or any of its Affiliates, including but not limited to those Actions more particularly described on Schedule 5.6, whether existing prior to or on the Closing Date or arising thereafter, including on the basis of any Law imposing successor liability, other than the Assumed Liabilities and the obligations of Purchaser under this Agreement (all such Liabilities that Purchaser is not assuming being referred to collectively as the “Excluded Liabilities”).

2.5 Cure Amounts. At the Closing and pursuant to Section 365 of the Bankruptcy Code, Seller will assume the Purchased Contracts (to the extent not previously assumed) (if any) and, subject to the terms herein, assign the Purchased Contracts to Purchaser, and Purchaser, subject to the terms herein, will assume the Purchased Contracts. All Cure Costs with respect to the Purchased Contracts (the “Assumed Cure Costs”) will be paid by Purchaser, as and when finally determined by the Bankruptcy Court pursuant to the procedures set forth in the Sale Order, and not by Seller, and Seller will have no Liability for any Assumed Cure Costs.

2.6 Non-Assignment of Assets.

(a) Notwithstanding any other provision of this Agreement to the contrary, this Agreement will not constitute an agreement to assign or transfer and will not effect the

assignment or transfer of any Purchased Asset (including any Purchased Contract) if (i) (A) prohibited by applicable Law, (B) an attempted assignment or transfer thereof would reasonably be likely to subject Purchaser, its Affiliates or any of its or their respective Representatives to civil or criminal Liability or (C) an attempted assignment or transfer thereof, without the approval, authorization or consent of, or granting or issuance of any license or permit by, any third party thereto, would constitute a breach, default or violation thereof or of any Law or Order (each such action, a “Necessary Consent”), or in any way adversely affect the rights of Purchaser thereunder or (ii) the Bankruptcy Court has not entered an Order (including, for the avoidance of doubt, the Sale Order) approving such assignment or transfer. In such event, such assignment or transfer is subject to such Necessary Consent being obtained and Seller and Purchaser will use their respective commercially reasonable efforts to obtain the Necessary Consents with respect to any such Purchased Asset (including any Purchased Contract) or any claim or right or any benefit arising thereunder for the assignment or transfer thereof to Purchaser as Purchaser may reasonably request; provided, however, that Seller will not be obligated to pay any consideration therefor to any third party from whom consent or approval is requested or to initiate any litigation or Action to obtain any such consent or approval. If such Necessary Consent is not obtained, or if an attempted assignment or transfer thereof would give rise to any of the circumstances described in clauses (i) or (ii) of the first sentence of this Section 2.6(a), be ineffective or would adversely affect the rights of Purchaser to such Purchased Asset following the Closing, (x) Seller and Purchaser will, and will cause their respective Affiliates to, (1) use commercially reasonable efforts (including cooperating with one another to obtain such Necessary Consents, to the extent feasible) as may be necessary so that Purchaser would obtain the benefits and assume the obligations thereunder in accordance with this Agreement, (2) complete any such assignments or transfers as soon as reasonably practicable, and (3) upon receipt of any applicable Necessary Consents, to transfer or assign the applicable Purchased Asset to Purchaser, and (y) Seller will, and will cause their respective Affiliates to, cooperate with Purchaser in good faith without further consideration in any arrangement reasonably acceptable to Purchaser and Seller intended to provide Purchaser with the benefit of any such Purchased Assets.

(b) Subject to Section 2.6(a), if after the Closing (i) Purchaser or its designee holds any Excluded Assets or Excluded Liabilities or (ii) Seller holds any Purchased Assets or Assumed Liabilities, Purchaser or Seller will promptly transfer (or cause to be transferred) such assets or assume (or cause to be assumed) such Liabilities to or from (as the case may be) the other Party. Prior to any such transfer, the Party receiving or possessing any such asset will hold it in trust for such other Party.

(c) Notwithstanding anything herein to the contrary, at any time prior to the date that is five (5) days after the later of (i) resolution of any dispute with a non-debtor party to a Purchased Contract relating to the Cure Costs or adequate assurance of future performance required under Section 365 of the Bankruptcy Code and (ii) the conclusion of the cure objection hearing relating to any particular Purchased Contract as to which a cure objection has been timely filed, Purchaser will be entitled, in its sole and absolute discretion, to remove any Purchased Contract from Schedule 2.1(b)(iv) by providing written notice thereof to Seller and any Purchased Contract so removed will be deemed to be an “Excluded Asset” for all purposes hereunder.

2.7 Further Conveyances and Assumptions. From time to time following the Closing, Seller and Purchaser will, and will cause their respective Affiliates to, execute, acknowledge and deliver all such further conveyances, notices, assumptions, assignments, releases and other instruments, and will take such further actions, as may be reasonably necessary or appropriate to assure fully to Purchaser and its successors or assigns, all of the properties, rights, titles, interests, estates, remedies, powers and privileges intended to be conveyed to Purchaser under this Agreement and to assure fully to Seller and its Affiliates and their respective successors and assigns, the assumption of the Liabilities intended to be assumed by Purchaser under this Agreement, and to otherwise make effective the Transactions; provided that nothing in this Section 2.7 will require Purchaser or any of its Affiliates to assume any Liabilities other than the Assumed Liabilities.

2.8 Alcoholic Beverage Licenses. To the extent permitted by applicable Law, Seller shall reasonably cooperate with Purchaser in making all filings and taking all steps reasonably necessary to obtain all approvals, consents and waivers required to be obtained by Purchaser under the terms of this Agreement in connection with the Transactions contemplated hereby in accordance with the terms hereof, and shall deliver to Purchaser copies of any non-confidential information in Seller's possession reasonably requested by Purchaser with respect to Purchaser's application for such approvals, consents and waivers; provided, however, that Seller shall have no obligation to obtain, and Purchaser shall be responsible to obtain, all alcohol-related approvals, registrations, licenses, permits, authorizations and bonds (collectively, "Alcohol Licenses") from the Alcohol and Tobacco Tax and Trade Bureau ("TTB"), the California Department of Alcoholic Beverage Control ("ABC"), and other governmental agencies required for operation of the Real Property. As soon as practical after the date hereof, Purchaser and Seller shall cooperate with Purchaser in its application for an original "Duplicate 02" license relating to the SCV Tasting Room and obtaining its TTB permit at Purchaser's sole cost and expense, and Purchaser will provide Seller with reasonable documentation to demonstrate that Purchaser has submitted applications with respect thereto within five Business Days following the Effective Date. Purchaser shall use commercially reasonable efforts to obtain such Alcohol Licenses. Seller agrees to leave in place and shall not cancel its existing Alcohol Licenses during the duration of the post-Closing transitional services agreement entered into by the Parties, in substantially the form attached hereto as Exhibit H ("TSA"). Subject to the terms and conditions of the TSA, Seller shall surrender licenses, permits and authorizations that relate exclusively to the Brands as may be reasonably required for Purchaser to obtain all approvals, consents and waivers required or desired to be obtained by Purchaser under the terms of this Agreement, including approvals for transfer or issuance of all Alcohol Licenses. If necessary, Seller shall, at Purchaser's sole cost and expense, continue to submit reports as required by 27 CFR Part 24 based on information and records provided by Purchaser until Purchaser is able to obtain the necessary TTB Alcohol Licenses to operate the Purchased Assets for the duration of the TSA. The obligations of Seller under this Section shall survive the Closing.

### III. CONSIDERATION

3.1 Consideration. The aggregate consideration for the Purchased Assets will be: (a) Fifteen Million Dollars (\$15,000,000.00) in cash (the "Bid Purchase Price"); plus (b) the assumption of the Assumed Liabilities; provided, however, the Bid Purchase Price shall be adjusted pursuant to Section 3.3 and Section 3.4 below (as adjusted, the "Purchase Price"). At

the Closing, Purchaser shall pay to Seller, in immediately available funds to the account or accounts designated by Seller, an amount equal to the Bid Purchase Price less the Deposit Amount less the Pre-Closing Inventory Adjustment, if any (the “Cash Amount”).

### 3.2 Purchase Price Deposit; Escrow Holdback.

(a) Purchaser has deposited a sum of \$1,500,000 (the “Deposit Amount”) into an escrow account maintained by Epiq Corporate Restructuring, LLC (“Escrow Agent”), which will be held in such escrow account and will be either delivered to Purchaser or paid to Seller as follows: (a) if the Closing occurs, \$750,000 of the Deposit Amount will be released to Seller and the remaining \$750,000 will be held by Escrow Agent as security for Seller’s obligation to reimburse Purchaser for any Post-Closing Inventory Adjustment set forth in Section 3.4 below (such remaining amount, the “Escrow Holdback Amount”), (b) if this Agreement is terminated by Seller pursuant to Section 4.4(d) or Section 4.4(e), then the Deposit Amount will promptly be released to Seller (and such Deposit Amount will be deemed fully earned by Seller as compensation and consideration for entering into this Agreement), or (c) if this Agreement is terminated for any reason other than by Seller pursuant to Section 4.4(d) or Section 4.4(e), then the Deposit Amount will promptly be released to Purchaser. Seller and Purchaser agree to execute joint written instructions and deliver them to the Escrow Agent to cause the Escrow Agent to release the Deposit Amount in accordance with this Section 3.2.

(b) The Escrow Holdback Amount shall be held in escrow subject to the terms and conditions set forth in an Escrow Agreement in a form approved and executed by the Parties. Any amount of the Escrow Holdback Amount remaining following the determination of and payment to Purchaser of the Post-Closing Inventory Adjustment, if any shall be paid to Seller within five (5) Business Days following such determination and payment.

3.3 Calculation of Pre-Closing Inventory Adjustment. Seller has delivered to Purchaser a complete list of all Inventory as of June 30, 2024 as Schedule 2.1(b)(ii), which includes the most current and accurate listing of wine Inventory (“Wine Inventory”) listed by Brand and gallonage of bulk wine and number of cased goods on hand which Schedule reflects the value at cost (accounted for in accordance with Seller’s normal and historical procedures) of the Wine Inventory as of June 30, 2024 (“Submission Date Wine Inventory”), and which Schedule also indicates the address where bulk wine is currently located. Three (3) Business Days prior to the Closing Date or the most recent practicable Business Day prior to such date, Seller shall deliver to Purchaser a statement prepared by Seller setting forth Seller’s Wine Inventory listed by Brand and gallonage of bulk wine and number of cased goods on hand valued at cost (accounted for in accordance with Seller’s normal and historical procedures) (“Closing Wine Inventory”) expected as of the Closing Date. In the event the Closing Wine Inventory is less than the Submission Date Wine Inventory, the difference between the Closing Wine Inventory and the Submission Date Wine Inventory (“Closing Wine Inventory Adjustment”) shall be deducted dollar-for-dollar from the Bid Purchase Price; it being understood that the value of any portion of the Wine Inventory that is (a) contaminated, defective or adulterated within the meaning of the California Food and Agriculture Code and the Federal Pure Food and Drug Act, (b) a white varietal wine with a vintage of 2021 or prior or (c) holiday-labeled Wine Inventory (such Wine Inventory described in subsections (a), (b) and (c) is collectively referred to as “Substandard Wine Inventory”) shall be excluded from the Closing Wine Inventory when

calculating the Closing Wine Inventory Adjustment paid at Closing. Seller covenants and agrees that to the extent it sells any Substandard Wine Inventory after the Effective Date and prior to the Closing Date, it shall either (i) sell such Substandard Wine Inventory as bulk wine or (ii) sell such Substandard Wine Inventory as “shiners” by removing the labels and any reference to the Brands on the glass, corks, foil caps, and packaging.

#### 3.4 Calculation of Post-Closing Inventory Adjustment.

(a) After the Closing, if Purchaser does not agree with the Closing Wine Inventory provided by Seller, Purchaser shall deliver to Seller a notice of its disapproval (the “Disapproval Notice”) within five (5) Business Days after the Closing Date along with a statement prepared by Purchaser calculating the difference between the Closing Wine Inventory and the actual Inventory count on hand as of the Closing (“Actual Closing Date Inventory”). In the event the Disapproval Notice is not delivered within the foregoing disapproval period, Purchaser shall have been deemed to have approved Closing Wine Inventory provided by Seller as set forth in Section 3.3 above.

(b) Following receipt of the Actual Closing Date Inventory, Seller shall be permitted to review the Actual Closing Date Inventory and the working papers relating to the Actual Closing Date Inventory and, within ten (10) Business Days after the date of such receipt (the “Notice Period”), may deliver to Purchaser a certificate setting forth any objections to the Actual Closing Date Inventory (a “Notice of Disagreement”). In the event Seller does not so object within the Notice Period, the Actual Closing Date Inventory shall become final and binding upon Purchaser and Seller for purposes of this Agreement upon expiration of the Notice Period.

(c) In the event any objections raised in the Notice of Disagreement are not resolved by the Parties within five (5) Business Days after Seller’s receipt of a Notice of Disagreement, then Purchaser and Seller shall submit in writing such unresolved objections to a mutually agreeable third-party accounting firm of national reputation and as to which neither party has a material relationship (the “Accounting Firm”), and the Accounting Firm shall make the final determination of the disputed items. The Actual Closing Date Inventory (as the same may be adjusted) shall become final and binding upon Purchaser and Seller on the date the disputed matters are finally resolved in writing by the Accounting Firm. The cost of the fees and expenses of the Accounting Firm shall be borne equally by Purchaser and Seller.

(d) In the event the Actual Closing Date Inventory is determined or deemed to be less than the Closing Wine Inventory, the amount of such difference shall be paid to Purchaser from the Escrow Holdback Amount; provided, Purchaser’s recovery shall be limited to the Escrow Holdback Amount (and, to the extent such difference is less than the Escrow Holdback Amount, the remainder of the Escrow Holdback Amount will be released to Seller in accordance with Section 3.2(b)).

(e) Any term or provision hereof to the contrary notwithstanding, at all times following the Closing, a Party shall afford the other Party and such Party’s accountants and representatives, and, if applicable, the Accounting Firm, reasonable access during normal business hours to such books, records and other information (including working papers) as any

of the foregoing may reasonably request to prepare for or review the Closing Wine Inventory, the Actual Closing Date Inventory or any matters submitted to the Accounting Firm. The fees and expenses of Seller's accountants and other advisers of Seller shall be paid by Seller. The fees and expenses of Purchaser's accountants and other advisers of Purchaser shall be paid by Purchaser.

#### IV. CLOSING AND TERMINATION

4.1 Closing Date. Subject to the satisfaction of the conditions set forth in Sections 9.1, 9.2 and 9.3 (or the waiver thereof by the Party entitled to waive that condition), the closing of the purchase and sale of the Purchased Assets and the assumption of the Assumed Liabilities provided for in Article II (the "Closing") will take place remotely by exchange of documentation and signatures at 10:00 a.m. (Pacific time) on the date that is three (3) Business Days following the satisfaction or waiver of the conditions set forth in Sections 9.1, 9.2 and 9.3 (other than conditions that by their nature are to be first satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), or at such other place and time as the Parties may designate in writing. The date on which the Closing is held is referred to in this Agreement as the "Closing Date."

(a) At the Closing, Seller shall deliver (subject to the physical delivery provisions of Section 8.10) the Purchased Assets or cause the Real Property and the Purchased Assets to be delivered to Purchaser.

(b) At Closing, Seller shall deliver the Sale Order.

(c) At the Closing, Seller shall also deliver or cause to be delivered to Purchaser any and all other such documents necessary to consummate this Agreement and the Transactions contemplated herein, including but not limited to the following:

(x) evidence that Seller has renewed the registration of the trademark Sonoma Coast Vineyards with the United States Patent and Trademark Office.

4.3 Deliveries by Purchaser. At the Closing, Purchaser will deliver to Seller:

- (a) Cash Amount;

- (c) the Assignment of Contracts, duly executed by Purchaser;
- (d) the Assignment of IP and Trademark Assignment, in each case, duly executed by Purchaser;
- (e) the TSA, duly executed by Purchaser; and
- (f) Escrow Agreement, duly executed by Purchaser.

4.4 Termination of Agreement. This Agreement may be terminated prior to the Closing as follows:

- (a) by Purchaser or Seller, if the Closing has not occurred by 5:00 p.m. Pacific time on November 1, 2024 (the “Termination Date”), which date may be extended pursuant to Sections 4.4(c) and 4.4(d); provided, however, that if the Closing has not occurred on or before the Termination Date due to a breach by (i) Purchaser of any representations, warranties, covenants or agreements contained in this Agreement that has resulted in any of the conditions set forth in Section 9.2 or Section 9.3 not being satisfied by the Termination Date, then Purchaser may not terminate this Agreement pursuant to this Section 4.4(a) or (ii) Seller of any representations, warranties, covenants or agreements contained in this Agreement that has resulted in any of the conditions set forth in Section 9.1 or Section 9.3 not being satisfied by the Termination Date, then Seller may not terminate this Agreement pursuant to this Section 4.4(a);
- (b) by mutual written consent of Seller and Purchaser;
- (c) by Purchaser, if Seller breaches any representation or warranty or any covenant or agreement contained in this Agreement, such breach would result in a failure of a

condition set forth in Sections 9.1 or 9.3 and such breach has not been cured within ten (10) Business Days after the giving of written notice by Purchaser to Seller of such breach; provided that Purchaser is not then in breach of any representation, warranty, covenant or agreement contained in this Agreement that would result in a failure of a condition set forth in Article IX; provided, further, that in the event that Purchaser provides such written notice to Seller within ten (10) Business Days of the Termination Date, then the Termination Date will be extended until the end of the ten (10) Business Day cure period set forth in this Section 4.4(c).

(d) by Seller, if Purchaser breaches any representation or warranty or any covenant or agreement contained in this Agreement, such breach would result in a failure of a condition set forth in Sections 9.2 or 9.3 and such breach has not been cured within ten (10) Business Days after the giving of written notice by Seller to Purchaser of such breach; provided further that Seller is not then in breach of any representation, warranty, covenant or agreement contained in this Agreement that would result in a failure of a condition set forth in Article IX, provided further, that in the event that Seller provides such written notice to Purchaser within ten (10) Business Days of the Termination Date, then the Termination Date will be extended until the end of the ten (10) Business Day cure period set forth in this Section 4.4(d);

(e) by Seller, if all of the conditions set forth in Sections 9.1, 9.2 and 9.3 have been satisfied or waived by the applicable Party (in each case, other than those conditions that by their nature are first satisfied at the Closing), Seller has given written notice to Purchaser that they are prepared to consummate the Closing and Purchaser fails to consummate the Closing within two (2) Business Days after the date that the Closing should have occurred pursuant to Section 4.1.

(f) by Seller or Purchaser, if there is in effect a final non-appealable Order of a Governmental Body of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the Transactions; it being agreed that the Parties will promptly appeal and use reasonable best efforts to seek to overturn any adverse determination which is not non-appealable and pursue such appeal with reasonable diligence unless and until this Agreement is terminated pursuant to this Section 4.4.

(g) automatically, upon the consummation of an Alternative Transaction.

4.5 Procedure Upon Termination. In the event of termination pursuant to Section 4.4 (other than Section 4.4(g), under which termination will take place automatically), the terminating Party will give written notice thereof to the other Party or Parties, and this Agreement will terminate as described in Section 4.6, and the purchase of the Purchased Assets and assumption of the Assumed Liabilities hereunder will be abandoned, without further action by Purchaser or Seller.

4.6 Effect of Termination. In the event that this Agreement is terminated as provided herein, then each of the Parties will be relieved of its duties and obligations arising under this Agreement after the date of such termination and there will be no Liability or obligation on Purchaser, Seller or any of their respective Representatives, except as specifically set forth in this Section 4.6; provided, however, that the provisions of Section 3.2, this Section 4.6, Section 7.3, Article XI and, to the extent necessary to effectuate the foregoing enumerated provisions,

Article I, will survive any such termination and will be enforceable hereunder; provided, further, that nothing in this Section 4.6 will be deemed to release any Party from Liability for any breach of this Agreement prior to termination and nothing in this Section 4.6 will be deemed to interfere with Sellers' rights to retain the Deposit Amount to the extent provided in Section 3.2.

## V. REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the letter from Seller, dated the Effective Date, addressed to Purchaser (the "Company Disclosure Letter") or in the Company SEC Documents related to the Purchased Assets with such description being reasonably apparent (other than any forward-looking disclosures set forth in any risk factor section, any disclosure in any section relating to forward-looking statements and any other similar disclosures included therein, in each case, to the extent such disclosures are primarily predictive or forward-looking in nature and do not consist of statements of present fact) filed prior to the date of this Agreement, Seller hereby represents and warrants to Purchaser that:

5.1 Organization and Good Standing. Seller is an entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and, subject to any limitations that may be imposed on Seller as a result of filing a petition for relief under the Bankruptcy Code, has the requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted, except where the failure to be so organized, existing and in good standing or to have such power and authority would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Purchased Assets. Seller is not in violation of its organizational or governing documents.

5.2 Authorization of Agreement. Subject to entry of the Sale Order, as applicable, Seller has all necessary power and authority to execute and deliver this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party and to perform its respective obligations hereunder and thereunder. The execution and delivery of this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party and the consummation of the Transactions have been duly authorized by all requisite corporate or similar action on the part of Seller. This Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party has been duly and validly executed and delivered, and each agreement, document or instrument contemplated hereby or thereby to be delivered at or prior to Closing will be duly and validly executed and delivered, by Seller and (assuming the due authorization, execution and delivery by the other Parties and the entry of the Sale Order) this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party constitutes legal, valid and binding obligations of Seller enforceable against Seller in accordance with its respective terms, subject to equitable principles of general applicability (whether considered in a proceeding at law or in equity).

5.3 Governmental Consents. Except as set forth on Schedule 5.3 and except to the extent not required if the Sale Order is entered, and subject to Purchaser obtaining the Alcohol Licenses, no consent, waiver, approval, Order or authorization of, or declaration or filing with, or notification to, any Person or Governmental Body is required on the part of Seller in connection with the execution and delivery of this Agreement or any other agreement, document or

instrument contemplated hereby or thereby to which Seller is a party, the compliance by Seller with any of the provisions hereof or thereof, the consummation of the Transactions or the taking by Seller of any other action contemplated hereby or thereby (with or without notice or lapse of time, or both), except for the entry of the Sale Order.

5.4 Title to Purchased Assets. At the Closing, Purchaser will be vested with good and marketable title to the Purchased Assets, or in the case of leased assets, good and marketable leasehold interest in, such Purchased Assets, free and clear of all Liens (other than Permitted Exceptions and Transferred Exceptions) and Excluded Liabilities, to the fullest extent permissible under Law, including Section 363(f) of the Bankruptcy Code.

5.5 SEC Documents. Except (x) that which would not reasonably be expected to have or has not had, individually or in the aggregate, a Material Adverse Effect and (y) as set forth on Schedule 5.5, (a) Seller has filed with or furnished to the SEC all forms, reports, schedules, statements and other documents required to be filed or furnished by it since January 1, 2022, under the Exchange Act or the Securities Act (collectively, the “Company SEC Documents”) and (b) as of its respective date of filing, or, if amended or superseded by a subsequent filing made prior to the date of this Agreement, as of the date of the last such amending or superseding filing, each Company SEC Document (i) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated in such Company SEC Document or necessary in order to make the statements in such Company SEC Document, in light of the circumstances under which they were made, not misleading and (ii) complied in all material respects with the applicable requirements of the Exchange Act and the Securities Act, as the case may be, and the applicable rules and regulations of the SEC under the Exchange Act and the Securities Act, as the case may be.

5.6 Litigation. 5.19 Data Privacy.

(a) To Seller’s Knowledge, Seller has complied with all Privacy Requirements and all internal or publicly posted policies, notices, and statements concerning the collection, use, processing, storage, transfer, and security of Personal Information in the conduct

of the Business. Without limiting the generality of the foregoing, Seller complies with all Privacy Requirements in all jurisdictions where Seller sells and markets its wine (including through its online allocation, order and sale process for its yearly wine releases).

(b) Seller has not: received any written notice of any Action by any Governmental Body or other Person concerning Seller's collection, use, processing, storage, transfer, or protection of Personal Information or actual, alleged, or suspected violation of any Privacy Requirement, in each case in connection with the conduct of the Business, and there are no facts or circumstances that could reasonably be expected to give rise to any such Action.

Seller makes no representations or warranties to Purchaser regarding the probable success or profitability of the Purchased Assets or the use thereof. The disclosure of any matter or item in any Schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter could result in a Material Adverse Effect.

## VI. REPRESENTATIONS AND WARRANTIES OF PURCHASER

Except as set forth in the letter from Purchaser, dated as of the Effective Date, addressed to Seller (the "Purchaser Disclosure Letter"), Purchaser hereby represents and warrants to Seller that:

6.1 Organization and Good Standing. Purchaser is a corporation organized, validly existing and in good standing under the Laws of the jurisdiction of its incorporation and has all requisite corporate power and authority to own, lease and operate its properties and to carry on its business as now being conducted, except where the failure to be so organized, existing and in good standing or to have such power and authority would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the ability of Purchaser to consummate the Transactions or to otherwise timely perform its obligations under this Agreement. Purchaser is not in violation of its organizational or governing documents.

6.2 Authorization of Agreement. Purchaser has all necessary corporate power and authority to execute and deliver this Agreement and each other agreement, document or

instrument contemplated hereby or thereby to which Purchaser is a party and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which Purchaser is a party and the consummation of the Transactions have been duly authorized by all requisite corporate or similar action on the part of Purchaser. This Agreement and each other agreement, document or instrument contemplated hereby or thereby to which Purchaser is a party has been duly and validly executed and delivered, and each agreement, document or instrument contemplated hereby or thereby to be delivered at or prior to Closing will be duly and validly executed and delivered, by Purchaser and (assuming the due authorization, execution and delivery by the other Parties and the entry of the Sale Order) this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which Purchaser is a party constitutes legal, valid and binding obligations of Purchaser enforceable against Purchaser in accordance with its respective terms, subject to equitable principles of general applicability (whether considered in a proceeding at law or in equity).

### 6.3 Consents and Approvals; No Violations.

(a) The execution, delivery and performance of this Agreement by Purchaser and the consummation by Purchaser of the Transactions do not and will not (i) conflict with or violate the certificate of incorporation or bylaws (or similar organizational documents) of Purchaser, (ii) assuming that all consents, approvals and authorizations contemplated by clauses (i) and (ii) of subsection (b) of this Section have been obtained, and all filings described in such clauses have been made, conflict with or violate any Law or Order applicable to Purchaser or by which Purchaser or any of its respective properties are bound, or (iii) result in any breach or violation of or constitute a default (or an event which with notice or lapse of time or both would become a default) or result in the loss of a benefit under, or give rise to any right of termination, cancellation, amendment or acceleration of, any Contracts to which Purchaser is a party or by which Purchaser or any of its respective properties are bound, except, in the case of clauses (ii) and (iii), for any such conflict, violation, breach, default, acceleration, loss, right or other occurrence which would not have or reasonably be expected to have a material adverse effect on the ability of Purchaser to consummate the Transactions or to otherwise timely perform its obligations under this Agreement.

(b) The execution, delivery and performance of this Agreement by Purchaser and the consummation by Purchaser of the Transactions do not and will not require any consent, approval, authorization or permit of, action by, filing with or notification to, any Governmental Body, except for (i) the applicable requirements, if any, of the Exchange Act and state securities, takeover and “blue sky” Laws, and, (ii) any such consent, approval, authorization, permit, action, filing or notification the failure of which to make or obtain would not have or reasonably be expected to have a material adverse effect on the ability of Purchaser to consummate the Transactions or to otherwise timely perform its obligations under this Agreement.

6.4 Financial Capability. Purchaser has sufficient funds available to it in cash to pay or cause to be paid the Purchase Price and the fees and expenses required to be paid by Purchaser in connection with the Transactions, and to effect the Transactions. Upon the consummation of the Transactions, (a) Purchaser will not be insolvent as defined in Section 101 of the Bankruptcy Code, (b) Purchaser will not be left with unreasonably small capital, (c) Purchaser will not have

incurred debts beyond its ability to pay such debts as they mature, and (d) the capital of Purchaser will not be impaired.

6.5 Condition of the Purchased Assets. Notwithstanding anything contained in this Agreement to the contrary, Purchaser acknowledges and agrees that Seller is not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Seller in Article V (as modified by the Company Disclosure Letter or any Company SEC Documents), and Purchaser acknowledges and agrees that, except for the representations and warranties contained therein, the Purchased Assets are being transferred on a “where is” and, as to condition, “as is” basis. Purchaser acknowledges that it has conducted to its satisfaction its own independent investigation of the Purchased Assets and, in making the determination to proceed with the Transactions, Purchaser has relied on the results of its own independent investigation and the representations and warranties of Seller in Article V.

6.6 Exclusivity of Representations and Warranties. Purchaser acknowledges that except for the representations and warranties made by Seller in Article V, neither Seller, any of their respective Affiliates, nor any Representatives of any of the foregoing, make (and neither Purchaser or any other Person has relied upon) any representations or warranties on behalf of Seller. Purchaser further agrees that neither Seller nor any other Person will have or be subject to any Liability to Purchaser or any other Person resulting from the distribution to Purchaser, Purchaser’s use of, any such information, including any information, documents, projections, forecasts or other material made available to Purchaser in certain “data rooms” or management presentations in expectation of the Transactions. For the avoidance of doubt, Purchaser acknowledges that none of Seller, any of their respective Affiliates, nor any Representatives of any of the foregoing, make any express or implied representation or warranty with respect to “Confidential Information” as defined in the Confidentiality Agreement, other than to the extent the representations and warranties made by Seller in this Agreement expressly speak to matters that constitute “Confidential Information.” Purchaser acknowledges and agrees that it (a) has had an opportunity to discuss the business of Seller with the management of Seller, (b) has had sufficient access to (i) the books and records of Seller and (ii) the electronic data room maintained by Seller for purposes of the Transactions, (c) has been afforded the opportunity to ask questions of and receive answers from officers and other key employees of Seller and (d) has conducted its own independent investigation of Seller, its respective businesses and the Transactions, and has not relied on any representation, warranty or other statement by any Person on behalf of Seller, other than the representations and warranties of Seller expressly contained in Article V, and that all other representations and warranties are specifically disclaimed. In connection with any investigation by Purchaser of Seller, Purchaser has received or may receive from Seller or its other Representatives on behalf of Seller certain projections, forward-looking statements and other forecasts and certain business plan information in written or verbal communications. Purchaser acknowledges that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Purchaser is familiar with such uncertainties, that Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to Purchaser (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that Purchaser will have no claim against Seller or any other Person with respect thereto. Accordingly, Purchaser acknowledges that neither Seller nor any other Person on behalf of the Seller make (and neither Purchaser or any other Person has

relied upon) any representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans).

## VII. BANKRUPTCY COURT MATTERS

7.1 Submission for Bankruptcy Court Approval. As promptly as practicable after the execution of this Agreement, Seller will file with the Bankruptcy Court a supplemental motion seeking (a) entry of the Bidding Procedures Order and authorizing the observance and performance of the Bidding Procedures Order by Seller and Purchaser and approval of the Bid Protections and (b) the Sale Order, including the approval of this Agreement and the sale of the Purchased Assets to Purchaser on the terms and conditions hereof if determined to be the “highest or otherwise best offer” in accordance with the Bidding Procedures Order. Such motion must be reasonably acceptable to Purchaser.

### 7.2 Bankruptcy Process.

(a) Seller and Purchaser acknowledge and agree that this Agreement, the sale of the Purchased Assets and the Transactions are subject to higher or otherwise better bids (in accordance with the Bidding Procedures Order) and Bankruptcy Court approval (each, a “Competing Bid”), as determined in Seller’s sole and exclusive discretion. Purchaser and Seller acknowledge that Seller must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best offer for the Purchased Assets, including giving notice thereof to the creditors of Seller and other interested parties, providing information about Seller’s business to prospective bidders, entertaining higher or otherwise better offers from such prospective bidders, and, in the event that additional qualified prospective bidders desire to bid for the Purchased Assets, conducting an auction (the “Auction”). Purchaser agrees and acknowledges that Seller and their Affiliates will be permitted, and will be permitted to cause their Representatives, to initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, respond to any unsolicited inquiries, proposals or offers submitted by, and enter into any discussions or negotiations regarding any of the foregoing with, any Person (in addition to Purchaser and its Affiliates, agents and Representatives). In addition, the Seller shall have the responsibility and obligation to respond to any inquiries or offers for a Competing Bid and perform any and all other acts related thereto which are required under the Bankruptcy Code, the Bidding Procedures Order or other applicable Law, including supplying information relating to the Seller or the Purchased Assets to prospective purchasers.

(b) The bidding procedures to be employed with respect to this Agreement and any Auction will be those reflected in the Bidding Procedures Order, which must be in form reasonably acceptable to Purchaser. Purchaser agrees to be bound by and accept the terms and conditions of the Bidding Procedures Order as entered by the Bankruptcy Court to the extent such Order is substantially in a form reasonably acceptable to Purchaser.

(c) Purchaser will provide adequate evidence and assurance under the Bankruptcy Code of the future performance by Purchaser of each Purchased Contract. Purchaser will, and will cause its Affiliates to, reasonably promptly take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of

adequate assurance of future performance under the Purchased Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Purchaser's Representatives available to testify before the Bankruptcy Court. Subject to the other terms and conditions of this Agreement, Purchaser will, from and after the Closing Date, (i) assume all Liabilities of Seller under the Purchased Contracts and (ii) satisfy and perform all of the Liabilities related to each of the Purchased Contracts when the same are due thereunder.

(d) Purchaser and Seller agree to use commercially reasonable efforts to cause the Bankruptcy Court to enter the Sale Order in substantially the form attached hereto as Exhibit A with such changes or modifications as may be requested by Purchaser or Seller that are consented to in writing by the other Party, with such consent not to be unreasonably withheld, conditioned or delayed, if either (i) no other Qualified Bid is timely submitted in accordance with the Bidding Procedures Order or (ii) one or more Qualified Bids is timely submitted and the sale of the Purchased Assets to Purchaser on the terms and conditions hereof (as may be modified at the Auction) are determined to be the "highest or otherwise best offer" in accordance with the Bidding Procedures Order.

(e) Seller covenants and agrees that if the Sale Order is entered, the terms of any plan submitted by Seller to the Bankruptcy Court for confirmation will not conflict with, supersede, abrogate, nullify, modify or restrict the terms of this Agreement and the rights of Purchaser hereunder, or in any way prevent or interfere with the consummation or performance of the Transactions including any transaction that is contemplated by or approved pursuant to the Sale Order.

(f) If the Sale Order or any other Orders of the Bankruptcy Court relating to this Agreement are appealed or petition for certiorari or motion for rehearing or reargument is filed with respect thereto, Seller agrees to take all action as may be commercially reasonable and appropriate to defend against such appeal, petition or motion and Purchaser agrees to cooperate in such efforts and each Party agrees to use its commercially reasonable efforts to obtain an expedited resolution of such appeal; provided, that the absence of an appeal of the Sale Order will not be a condition to any Party's obligation to consummate the Transactions at the Closing.

(g) For the avoidance of doubt, nothing in this Agreement will restrict Seller or its Affiliates from selling, disposing of or otherwise transferring any Excluded Assets or from settling, delegating or otherwise transferring any Excluded Liabilities, or from entering into discussions or agreements with respect to the foregoing.

7.3 Approval of Break-Up Fee and Expense Reimbursement. In consideration for Purchaser having expended considerable time and expense in connection with this Agreement and the negotiation hereof and the identification and quantification of assets of Seller, Seller shall pay Purchaser, in accordance with the terms hereof and the Bidding Procedures Order, a break-up fee in an amount equal to (a) \$450,000 (the "Break-Up Fee") plus (b) the amount of the reasonable, out-of-pocket and documented expenses of Purchaser incurred in connection with the negotiation hereof up to an aggregate amount of \$250,000 (such expense reimbursement, together with the Break-Up Fee, the "Termination Payment" or the "Bid Protections"). Subject to the entry of the Bidding Procedures Order, the Termination Payment shall be paid on the third

(3rd) Business Day following the date of consummation of an Alternative Transaction if no material breach by Purchaser of this Agreement has occurred; provided, that, for the avoidance of doubt, the Parties acknowledge and agree that the Termination Payment will be paid to Purchaser in the event that the Alternative Transaction is consummated after this Agreement is terminated pursuant to Section 4.4(a) to the extent that Purchaser has not materially breached the terms of this Agreement. In accordance with Section 7.1, Seller shall file with and seek the entry by the Bankruptcy Court of the Bidding Procedures Order approving the payment of the Termination Payment, pursuant to, and subject to the limitations set forth in, this Agreement. This provision shall survive the termination of this Agreement.

7.4 Back-Up Bidder. Subject to Section 4.4 hereof, Seller and Purchaser agree that, in the event that Purchaser is not the winning bidder at the Auction and in accordance with the Bidding Procedures Order, if and only if (a) Purchaser submits the second highest or second best bid at the Auction and is named the “Back-Up Bidder” at the Auction, in each case, as determined by Seller, (b) Purchaser has not terminated this Agreement, including, pursuant to Section 4.4(a), and (c) Seller gives notice to Purchaser that Seller (i) failed to consummate the sale with the winning bidder, and (ii) has terminated the definitive agreement with the winning bidder, Purchaser shall promptly consummate the Transactions upon the terms and conditions as set forth herein, including payment of the Purchase Price, as applicable, in accordance with Article III, as the same may be increased by Purchaser at the Auction.

## VIII. COVENANTS

8.1 Access to Information. From the Effective Date through the Closing Date, Purchaser will be entitled, through its Representatives, to make such investigation of the Purchased Assets and the Assumed Liabilities as it reasonably requests for purposes of furthering the consummation of the Transactions; except that, without Seller’s prior written consent (which consent may not be unreasonably withheld, conditioned or delayed), (a) Purchaser and its Representatives will not have the right to perform any investigative procedures that involve physical disturbance or damage to the properties of Seller or its Affiliates, and (b) any such investigation will not include any sampling of environmental media, including soil, land, soil gas, surface water, groundwater, stream sediments, indoor air, ambient air or building materials. Any such investigation and examination will be conducted upon reasonable advance notice and under reasonable circumstances, will occur only during normal business hours and will be subject to restrictions under applicable Law. Seller will direct its respective Representatives to cooperate with Purchaser and Purchaser’s Representatives in connection with such investigation and examination, and Purchaser and its Representatives will cooperate with Seller and its Representatives. Notwithstanding anything herein to the contrary, no such investigation or examination will be permitted to the extent that it would require Seller to disclose information that would cause material competitive harm to Seller or would violate attorney-client privilege or other confidentiality obligations of Seller. No investigation by Purchaser will affect or be deemed to modify any of the representations, warranties, covenants or agreements of Seller contained in this Agreement.

8.2 Actions Pending the Closing. Except (a) as required by applicable Law or by Order of the Bankruptcy Court, (b) as otherwise expressly contemplated by this Agreement, or (c) with the prior written consent of Purchaser, during the period from the Effective Date to and

through the Closing Date, Seller will (taking into account the commencement of the Bankruptcy Cases, the anticipated liquidation and shut-down of operations of Seller other than the Purchased Assets and other changes, facts and circumstances that customarily result from the events leading up to and following the commencement of bankruptcy proceedings, and Seller's commercially reasonable responses to and actions in light of Changes related to the COVID-19 pandemic): (i) maintain the Purchased Assets in their current condition, ordinary wear and tear excepted (and excluding sales of inventory in the Ordinary Course of Business); (ii) not materially amend, modify, terminate, let lapse (other than the expiration of a Contract pursuant to its terms) or waive any rights under, or create any Lien with respect to, any of the Purchased Contracts; (iii) use commercially reasonable efforts to defend and protect the Purchased Assets from deterioration; (iv) materially comply with applicable Laws with respect to the Purchased Assets; (v) not sell bulk wine that constitutes Wine Inventory to any third party (which shall not prohibit the bottling of bulk wine and the sale of such finished or cased goods) other than bulk wine comprised of Substandard Wine Inventory pursuant to Section 3.3; (vi) move any Inventory from their location as of the date hereof (other than sales of Inventory in the Ordinary Course of Business), or (vii) not enter into any agreement or commitment to take any action prohibited by this Section 8.2.

8.3 Consents. Seller and Purchaser will use their commercially reasonable efforts to obtain at the earliest practicable date all consents and approvals contemplated by this Agreement, including the consents and approvals referred to in Section 5.3 and the Necessary Consents; provided, however, that none of Seller or Purchaser (other than with respect to Assumed Cure Costs) will be obligated to pay any consideration therefor to any third party from whom consent or approval is requested or to initiate any Actions to obtain any such consent or approval. For the avoidance of doubt, the Parties acknowledge and agree that obtaining any such authorizations, consents and approvals, giving such notices and making such filings will not be a condition to Closing.

8.4 Reasonable Best Efforts; Consents to Assignment.

(a) Upon the terms and subject to the conditions of this Agreement, each of the Parties will use its commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate and make effective the Transactions as promptly as practicable, including the prompt preparation and filing of all forms, registrations and notices required to be filed to consummate the Transactions and the taking of such commercially reasonable actions as are necessary to obtain any requisite approvals, consents, Orders, exemptions or waivers by any Governmental Body or any other Person.

(b) Each Party will promptly inform the others of any communication from any Governmental Body (other than the Bankruptcy Court or the Office of the United States Trustee) regarding any of the Transactions and promptly provide the others with copies of all related correspondence or filings.

8.5 Publicity. With the exception of press releases issued by Seller and Purchaser on the Effective Date and the Closing Date in forms mutually agreeable to Seller and Purchaser, Purchaser and Seller will not issue any press release or public announcement concerning this

Agreement or the Transactions without obtaining the prior written approval of the other Parties, which approval may not be unreasonably withheld, conditioned or delayed, except that such consent will not be required if disclosure is otherwise required by applicable Law or by the Bankruptcy Court; provided, however, that Purchaser or Seller, as applicable, will use its or their commercially reasonable efforts consistent with such applicable Law or Bankruptcy Court requirement to consult with the other Parties with respect to the text of any such required disclosure.

8.6 Confidentiality. Purchaser acknowledges that Confidential Information (as defined in the Confidentiality Agreement) has been, and in the future will be, provided to it in connection with this Agreement, including under Section 8.1, and is subject to the terms of the confidentiality agreement dated July 8, 2024, between Seller and Purchaser (the “Confidentiality Agreement”), the terms of which are incorporated herein by reference. Purchaser acknowledges and understands that this Agreement and related documents may be publicly filed in the Bankruptcy Court and further made available by Seller to prospective bidders or contract counterparties and that, such disclosure will not be deemed to violate any confidentiality obligations owing to Purchaser, whether pursuant to this Agreement, the Confidentiality Agreement or otherwise.

8.7 Access Agreements. Prior to the Closing, Seller and Purchaser will negotiate mutually acceptable terms of an agreement providing Seller with access, for a period of at least 12 months following the Closing Date, to Purchaser’s personnel, including any transferred employees, information technology systems, including email, third party service providers and books and records, and use of office space and office support for employees of Seller, as is reasonably necessary or appropriate in connection with the administration of the Bankruptcy Cases and to permit Seller to wind-down and liquidate the Seller’s Bankruptcy Estates following the Closing.

8.8 Employee Matters. Purchaser may, but shall not be required to, extend employment offers to any Business Employees it so chooses in its sole and absolute discretion, with such offers to be effective as of the Closing Date. At the Closing Date, Seller shall terminate those Business Employees who accept an offer of employment with Purchaser. Seller shall be responsible for payment of all compensation and other amounts, including any severance, payable to current or former employees or other service providers of Seller relating to the Brands who are not offered employment with Purchaser or who do not accept offers of employment with Purchaser, incurred by Seller on or prior to the Closing. With respect to any employee or consultant of Seller not hired or otherwise engaged by Purchaser, Seller shall be liable for any obligation, Liability or cost associated with his/her termination of employment or service by Seller. Seller shall give all notices and other information required to be given to the employees of Seller and any applicable government authority under National Labor Relations Act, COBRA or any other applicable Law in connection with the Transactions provided for in this Agreement. Seller shall be responsible for any and all Liability under the Worker Adjustment and Retraining Notification Act, or under any state Law concerning layoffs or the closing or relocation of worksites or the like, which arises out of or results from any Business Employee’s termination of employment by Seller. This Section 8.8 is solely for the purpose of defining the obligations between Purchaser and Seller concerning the employees of Seller and shall in no way be construed as creating any employment Contract or other Contract between

Purchaser or Seller and any employee, or as granting any third-party beneficiary status to any employee.

8.9 Inventory. The Parties acknowledge and agree that Purchaser will be responsible for acquiring possession of the Inventory and that Purchaser will use its reasonable best efforts to acquire such possession of the Inventory as soon as reasonably practicable after the Closing and in no event later than four weeks after the Closing Date. Purchaser will be responsible for all fees and expenses incurred in connection with acquiring and maintaining possession of the Inventory, including labor, transportation and storage after acquisition. Seller and its Affiliates will, or will cause the applicable purchaser of the applicable location (each, an “Other Purchaser”), if applicable, to, maintain storage of the Inventory for a period of up to four weeks after the Closing Date at no cost to Purchaser. After such four-week period, Purchaser will pay Seller or the applicable Other Purchaser a storage fee equal to market rates (as determined by Seller in its sole discretion) (provided, that, neither Seller nor any Other Purchaser will have any obligation to maintain storage of such Inventory after the date that is four weeks following the Closing Date). Purchaser agrees to indemnify and hold harmless Seller or the applicable Other Purchaser, as applicable, and their respective Affiliates and Representatives for any losses or damages incurred by them in connection with storing of, or the removal of, the Inventory following the Closing. Each applicable Other Purchaser and each of its applicable Affiliates and Representatives, and each of Seller’s applicable Affiliates and Representatives, is an express third-party beneficiary for purposes of this Section 8.9.

8.10 Diagram of Premises; Type 02 License. Prior to the Closing, Seller will use reasonable best efforts to provide Purchaser with copies of the diagrams of the Real Property provided to ABC in connection with its duplicate Type 02 license. If these are not available, Seller shall inform Purchaser promptly, and then shall permit Purchaser’s Representatives to enter the Real Property for the purpose of measuring the SCV Tasting Room premises and making the appropriate diagrams. Seller shall provide for submission with Purchaser’s duplicate Type 02 License application, a California ABC Form 231 License Action Form in order to cancel its existing duplicate Type 2 license.

## IX. CONDITIONS TO CLOSING

9.1 Conditions Precedent to Obligations of Purchaser. The obligation of Purchaser to consummate the Transactions is subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by Purchaser in whole or in part to the extent permitted by applicable Law):

(a) each of the representations and warranties of Seller contained in this Agreement (disregarding all “materiality” or “Material Adverse Effect” qualifications set forth therein) shall be true and correct as of the Closing, as if made on the Closing Date (except for any such representations and warranties that are made as of a specific date, which representations and warranties shall have been true and correct as of such specific date), except where the failure of the representations and warranties to be true and correct, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect, and Purchaser shall have received a certificate signed by an authorized officer of Seller on behalf of Seller, dated the Closing Date, to the foregoing effect;

(b) Seller shall have performed and complied in all material respects with all obligations and agreements required in this Agreement to be performed or complied with by them prior to or on the Closing Date, and Purchaser shall have received a certificate signed by an authorized officer of Seller on behalf of Seller, dated the Closing Date, to the foregoing effect;

(c) Seller shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 4.2;

(d) (i) the Title Company shall have irrevocably and unconditionally committed to, and shall stand ready to, issue the Title Policy; and (ii) Seller shall deliver or cause to be delivered to the Title Company the release of any and all Liens (other than Permitted Liens), on the Real Property from the holders of such Liens reasonably necessary to obtain the Title Policy; provided, however, that any such recurring Liens on the Property, such as real estate taxes and assessments, need not be retired but shall be paid current by Seller or Purchaser as of Closing in accordance with Section 10.2; and

(e) The Sale Order shall have been entered and it shall expressly provide that the transfer of the Purchased Asset to the Purchaser at Closing shall be free and clear of all Liens (other than Permitted Exceptions and Transferred Exceptions).

9.2 Conditions Precedent to Obligations of Seller. The obligations of Seller to consummate the Transactions are subject to the fulfillment, prior to or on the Closing Date, of each of the following conditions (any or all of which may be waived by Seller in whole or in part to the extent permitted by applicable Law):

(a) each of the representations and warranties of Purchaser contained in this Agreement (disregarding all “materiality” or “material adverse effect” qualifications set forth therein) shall be true and correct as of the Closing, as if made on the Closing Date (except for any such representations and warranties that are made as of a specific date, which representations and warranties shall have been true and correct as of such specific date), except where the failure of the representations and warranties to be true and correct, individually or in the aggregate, has not had and would not reasonably be expected to have a material adverse effect on the ability of Purchaser to consummate the Transactions or to otherwise timely perform its obligations under this Agreement, and Seller shall have received a certificate signed by an authorized officer of Purchaser on behalf of Purchaser, dated the Closing Date, to the foregoing effect;

(b) Purchaser shall have performed and complied in all material respects with all obligations and agreements required in this Agreement to be performed or complied with by Purchaser prior to or on the Closing Date, and Seller shall have received a certificate signed by an authorized officer of Purchaser on behalf of Purchaser, dated the Closing Date, to the foregoing effect; and

(c) Purchaser shall have delivered to Seller all of the items set forth in Section 4.3.

9.3 Conditions Precedent to Obligations of Purchaser and Seller. The respective obligations of Purchaser and Seller to consummate the Transactions are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be

waived by Seller and Purchaser, jointly, in whole or in part to the extent permitted by applicable Law):

(a) there shall not be in effect any Order by a Governmental Body restraining, enjoining or otherwise prohibiting the consummation of the Transactions; and

(b) the Bankruptcy Court shall have entered the Sale Order and the Sale Order shall not be subject to a stay or have been vacated or revoked.

9.4 Frustration of Closing Conditions. No Party may rely on the failure of any condition set forth in Sections 9.1, 9.2 or 9.3, as the case may be, if such failure was caused by such Party's breach of any provision of this Agreement.

## **X. TAXES AND PRORATIONS**

10.1 Transfer Taxes. All documentary, stamp, transfer, motor vehicle registration, sales, use, value added, excise and other similar non-income Taxes and all filing and recording fees (and any penalties and interest associated with such Taxes and fees) arising from or relating to the consummation of the Transactions (collectively, "Transfer Taxes") will be borne by Seller, regardless of the Party on whom Liability is imposed under the provisions of the Laws relating to such Transfer Taxes. Seller and Purchaser will consult and cooperate in timely preparing and making all filings, Tax Returns, reports and forms as may be required to comply with the provisions of the Laws relating to such Transfer Taxes and will cooperate and otherwise take commercially reasonable efforts to obtain any available refunds for or exemptions from such Transfer Taxes, including preparing exemption certificates and other instruments as are applicable to claim available exemptions from the payment of Transfer Taxes under applicable Law and executing and delivering such affidavits and forms as are reasonably requested by the other Party.

### 10.2 Prorations and other Costs.

(a) Purchaser shall pay the premium for an owner's Title Policy, if any, one-half (1/2) of all escrow fees, costs and expenses. Seller shall pay for one-half (1/2) of all escrow fees, costs and expenses.

(b) Title Company shall prorate (on the basis of a 365-day year) real and personal property taxes and other similar and appropriate on-going expenses related to the Purchased Assets, as of the Closing Date, and such prorations shall be set forth on a Closing Statement and agreed to prior to the Closing. Seller shall be liable for the proportionate amount of such taxes and expenses attributable to the period through and including the Closing Date, and Purchaser shall be liable for the proportionate amount of such taxes and expenses attributable to the period after the Closing Date.

(c) Any monthly or recurring expenses that accrue with respect to the Purchased Assets, including utility expenses, shall be prorated between Purchaser and Seller as of the Closing Date on the basis of a 365-day year. Electricity, water, sewer, gas, electric, telephone and other utility charges shall be prorated to the Closing Date and, if prepaid by Seller,

shall be paid by Purchaser, or if payable subsequent to the Closing Date, shall be charged to Seller.

### 10.3 Purchase Price Allocation.

(a) As promptly as practicable after the Closing Date, but no later than 30 days thereafter, Purchaser will prepare and deliver to Seller, an allocation schedule setting forth the amounts to be allocated among Seller and among the Purchased Assets of Seller, pursuant to (and to the extent necessary to comply with) Section 1060 of the Code and the applicable regulations promulgated thereunder (or, if applicable, any similar provision under state, local or foreign Law or regulation) (the “Proposed Allocation Statement”). Seller will have Twenty (20) Business Days following delivery of the Proposed Allocation Statement during which to notify Purchaser in writing (an “Allocation Notice of Objection”) of any objections to the Proposed Allocation Statement, setting forth in reasonable detail the basis of their objections. If Seller fails to deliver an Allocation Notice of Objection in accordance with this Section 10.3(a), the Proposed Allocation Statement will be conclusive and binding on all Parties and will become the “Final Allocation Statement.” If Seller submits an Allocation Notice of Objection, then for ten (10) Business Days after the date Purchaser receives the Allocation Notice of Objection, Purchaser and Seller will use their commercially reasonable efforts to agree on the allocations. Failing such agreement within ten (10) Business Days of such notice, the unresolved allocations will be submitted to an independent, internationally-recognized accounting firm mutually agreeable to Purchaser and Seller, which firm will be instructed to determine its best estimate of the allocation schedule based on its determination of the unresolved allocations and provide a written description of the basis for its determination within forty-five (45) Business Days after submission, such written determination to be final, binding and conclusive. The fees and expenses of such accounting firm will be apportioned among Seller and Purchaser equally. For the avoidance of doubt, in administering any Legal Proceeding, the Bankruptcy Court will not be required to apply the Final Allocation Statement in determining the manner in which the Purchase Price should be allocated as between Seller and their respective estates.

(b) Seller and Purchaser and their respective Affiliates will report, act, and file Tax Returns (including, but not limited to IRS Form 8594) in all respects and for all purposes consistent with the Final Allocation Statement, and will not take any position (whether in audits, Tax Returns, or otherwise) that is inconsistent with the Final Allocation Statement, in each case, except to the extent otherwise required by a “determination” within the meaning of Section 1313 of the Code.

10.4 Cooperation and Audits. Purchaser and Seller will cooperate fully with each other regarding Tax matters to the extent commercially reasonable and will make available to the other as reasonably requested all information, records and documents relating to Taxes governed by this Agreement until the expiration of the applicable statute of limitations or extension thereof or the conclusion of all audits, appeals or litigation with respect to such Taxes.

## **XI. GENERAL GOVERNING PROVISIONS**

11.1 No Survival of Representations and Warranties. The Parties agree that the representations and warranties contained in this Agreement will not survive the Closing

hereunder, and none of the Parties will have any Liability to each other after the Closing for any breach thereof. The Parties agree that the covenants contained in this Agreement to be performed at or after the Closing will survive the Closing hereunder until the expiration of the applicable statute of limitations or for such shorter period explicitly specified therein, and each Party will be liable to the other after the Closing for any breach thereof.

#### 11.2 Damage or Destruction; Taking.

(a) Damage or Destruction. If prior to the Closing, the Purchased Assets, or any part thereof, is damaged, and such damage shall cost in excess of Three Hundred Thousand Dollars (\$300,000.00) to repair, Purchaser has the right, exercisable by giving written notice to Seller within ten (10) days after receiving written notice of such damage or destruction (but in any event no later than one (1) Business Day prior to the Closing), either (A) to terminate this Agreement, in which case the entirety of the monies and any documents in escrow shall be returned to the Party depositing the same, and neither Party shall have any further rights or obligations under this Agreement, except for those obligations that are to survive the termination of this Agreement, as expressly set forth in this Agreement, or (B) to accept the Purchased Assets in its then condition and to proceed with the Closing, and receive an assignment of all of Seller's right to any insurance proceeds payable by reason of such damage or destruction and a credit against the Purchase Price for any applicable deductible. In the event any damage occurs costing less than Three Hundred Thousand Dollars (\$300,000.00) to repair, if the Closing occurs, Purchaser shall receive an assignment of any insurance proceeds payable by reason of such damage or destruction, and a credit against the Purchase Price for any applicable deductible. A failure by Purchaser to notify Seller in writing within such ten (10) day period will be deemed an election to proceed under clause (A) above. If Purchaser elects (or is deemed to elect) to proceed under clause (B) above, Seller shall not compromise, settle, or adjust any claims to such proceeds without Purchaser's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed.

(b) Taking. If prior to the Closing, all or any portion of the Real Property is taken or threatened to be taken by any governmental body or public authority, Purchaser has the right, exercisable by giving written notice to Seller within ten (10) days after receiving written notice of such taking (but in any event no later than one (1) Business Day prior to the Closing), either (A) to terminate this Agreement, in which case the entirety of the monies and any documents in escrow shall be returned to the Party depositing the same, and neither Party shall have any further rights or obligations under this Agreement, except for those obligations that are to survive the termination of this Agreement, as expressly set forth elsewhere in this Agreement, or (B) to accept the Real Property in its then condition and to proceed with the Closing, without any abatement or reduction in the Purchase Price, and receive an assignment of all of Seller's rights to any condemnation award payable by reason of such taking. A failure by Purchaser to notify Seller in writing within such ten (10) day period will be deemed an election to proceed under clause (A) above. If Purchaser elects (or is deemed to elect) to proceed under clause (B) above, Seller shall not compromise, settle or adjust any claims to such award without Purchaser's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. As used in this Section 11.2(b), "Taking" means any transfer of the Property or any portion thereof to a governmental entity or other party with appropriate authority, by exercise of the power of eminent domain.

11.3 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the Transactions are consummated, each of Seller, on the one hand, and Purchaser, on the other hand, will bear its own expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Transactions and all Actions incident thereto.

11.4 Injunctive Relief.

(a) The Parties agree that irreparable damages would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that damages at Law may be an inadequate remedy for the breach of any of the covenants, promises and agreements contained in this Agreement, and, accordingly, any Party will be entitled to injunctive relief to prevent any such breach, and to specifically enforce specifically the terms and provisions of this Agreement, including without limitation specific performance of such covenants, promises or agreements or an Order enjoining a Party from any threatened, or from the continuation of any actual, breach of the covenants, promises or agreements contained in this Agreement. The rights set forth in this Section 11.4 will be in addition to any other rights which a Party may have at Law or in equity pursuant to this Agreement.

(b) The Parties hereby agree not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement by Purchaser or Seller, as applicable, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the respective covenants and obligations of Purchaser or Seller, as applicable, under this Agreement all in accordance with the terms of this Section 11.4.

11.5 Submission to Jurisdiction; Consent to Service of Process.

(a) Without limiting any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court will retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all Actions related to the foregoing will be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court for such purposes and will receive notices at such locations as indicated in Section 11.9; provided, however, that if the Bankruptcy Cases have been closed pursuant to Section 350 of the Bankruptcy Code, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action in the United States District Court for the District of Delaware) and any appellate court from any thereof, for the resolution of any such claim or dispute. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the Parties agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(b) Each of the Parties hereby consents to process being served by any other Party in any Legal Proceeding by delivery of a copy thereof in accordance with the provisions of Section 11.9; provided, however, that such service will not be effective until the actual receipt thereof by the Party being served.

11.6 Waiver of Right to Trial by Jury. Each Party to this Agreement waives any right to trial by jury in any Legal Proceeding regarding this Agreement or any provision hereof.

11.7 Entire Agreement; Amendments and Waivers. This Agreement represents the entire understanding and agreement between the Parties with respect to the subject matter hereof and supersedes all prior discussions and agreements between the Parties with respect to the subject matter hereof. This Agreement can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the Party against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, will be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any Party of a breach of any provision of this Agreement will not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by Law.

11.8 Governing Law. This Agreement will be governed by and construed in accordance with federal bankruptcy Law, to the extent applicable, other federal law, where applicable, and, where state Law is implicated, the Laws of the State of California applicable to contracts made and performed in such State.

11.9 Notices. All notices and other communications under this Agreement will be in writing and will be deemed given (a) when delivered personally by hand, (b) when sent by email (with written confirmation of transmission), or (c) one Business Day following the day sent by overnight courier (with written confirmation of receipt), in each case at the following addresses and email addresses (or to such other address or email address as a Party may have specified by notice given to the other Party pursuant to this provision):

11.10 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any Law or public policy, all other terms or provisions of this Agreement will nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions are consummated as originally contemplated to the greatest extent possible.

11.11 Assignment. This Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. Nothing in this Agreement will create or be deemed to create any third party beneficiary rights in any Person or entity not a party to this Agreement (other than as set forth in Section 8.9 and provided that any Person that is not a Party will be a third-party beneficiary for purposes of Section 11.12). No assignment of this Agreement or of any rights or obligations hereunder may be made by either Seller or Purchaser (by operation of Law or otherwise) without the prior written consent of the other Parties and any attempted assignment without the required consents will be void; provided, however, that (a) Purchaser may assign some or all of its rights or delegate some or all of its obligations hereunder to one or more Affiliates and (b) Seller may assign some or all of their rights or delegate some or all of their obligations hereunder to successor entities (including any liquidating trust) pursuant to a Chapter 11 plan confirmed by the Bankruptcy Court, in the case of each clause (a) and (b) without any other Party's consent. No assignment of any obligations hereunder will relieve the

Parties of any such obligations. Upon any such permitted assignment, the references in this Agreement to Seller or Purchaser will also apply to any such assignee unless the context otherwise requires.

11.12 Non-Recourse. No past, present or future director, officer, employee, incorporator, member, partner, equityholder, manager, agent, attorney, Representative or Affiliate of the Parties or any of their Affiliates will have any Liability for any obligations or Liabilities of Seller or Purchaser, as applicable, under this Agreement or any agreement entered into in connection herewith of or for any claim based on, in respect of, or by reason of, the Transactions contemplated hereby and thereby. Any claim or cause of action based upon, arising out of, or related to this Agreement or any agreement, document or instrument contemplated hereby may only be brought against Persons that are expressly named as Parties or thereto, and then only with respect to the specific obligations set forth herein or therein. Other than the Parties, no other Person will have any Liability or obligation for any of the representations, warranties, covenants, agreements, obligations or Liabilities of any Party under this Agreement or the agreements, documents or instruments contemplated hereby or of or for any Legal Proceeding based on, in respect of, or by reason of, Transactions (including the breach, termination or failure to consummate such Transactions), in each case whether based on contract, tort, fraud, strict liability, other Laws or otherwise and whether by piercing the corporate veil, by a claim by or on behalf of a Party or another Person or otherwise. In no event will any Person be liable to another Person for any remote, speculative or punitive damages with respect to the Transactions.

11.13 Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

11.14 Restrictive Covenants. Upon and after the Closing Date until the earlier of (i) the effective date of a plan of reorganization with respect to the Bankruptcy Cases, (ii) the dismissal of the Bankruptcy Cases, and (iii) six months after the Closing Date, Seller shall not, and shall cause its Affiliates not to:

- (a) conduct business under, or otherwise use, directly or indirectly, any name that consists of any word included in the name of any Brand or any synonyms therefor, or any word or words in combination therewith;
- (b) refer to themselves as the makers, creators, founders or originators of any of the Brands in any commercial context;
- (c) publicly disparage, criticize, defame or slander the Brands, Purchaser or Purchaser's current or future Affiliates; or
- (d) cause or attempt to cause any client, customer, distributor or supplier of the Brands to terminate or materially reduce its business with Purchaser or any current or future Affiliate thereof regarding the Brands.
